[INTERIOR DESIGNER]

[PARIS HUNT]

Hello! My name is Paris Hunt, I'm an aspiring interior designer with a BA in Art History, currently pursuing a certificate in interior design at UCLA. My love for design extends across many forms including drawing, painting, interiors, graphics, photography, and sculpture. With a strong foundation in customer experience and academic expertise in art history, I bring a unique perspective to the field of interior design.

Outside of design, I'm a coffee enthusiast and love to read, and I always enjoy connecting with people. I'm eager to contribute my creativity and collaborative spirit to an internship or junior position, where I can continue learning, growing, and creating.
